# The THAI Journal of SURGERY

Official Publication of the Royal College of Surgeons of Thailand

## INFORMATION FOR AUTHORS

The Thai Journal of Surgery is the official publication of the Royal College of Surgeons of Thailand issued quarterly.

The Thai Journal of Surgery invites concise original articles in the field of clinical and experimental surgery as well as surgical education. Articles must be contributed solely to The Thai Journal of Surgery and when published become the property of the Royal College of Surgeons of Thailand. The Royal College of Surgeons of Thailand reserves copyright on all published materials and such materials may not be reproduced in any form without the written permission.

The Royal College of Surgeons of Thailand accepts no responsibility for opinions expressed by contributors. Manuscripts submitted for publication should be sent to :

**Pornchai O-charoenrat, M.D.**  
**The Thai Journal of Surgery**  
**Royal College of Surgeons of Thailand**  
**Royal Golden Jubilee Building**  
**2 Soi Soonvijai, New Petchburi Road**  
**Huay Kwang, Bangkok 10310, Thailand**  
**Tel. : +66 2716 6141-3 Fax : +66 2716 6144**  
**E-mail : frfst@rcst.or.th**

### Manuscripts

Manuscripts should be typewritten on one side of A4 paper only with double spacing and at least one inch margins. Separate pages: title page, text, acknowledgments, references, individual tables, abstract in Thai, and legends (as the format in this journal). Number pages consecutively, beginning with the title page. Type the page number in the upper right-hand corner of each page. An original and one additional copy of all materials including figures and tables, using the *Microsoft Words* Program, must be submitted for editorial review. Metric measurements should be used. Generic names for drugs should be used and if trade name is mentioned, it should be put in parenthesis.

The title page of the manuscript should be typed on a separate sheet and contain the following informations :

1. Title of the paper
2. Name of Author(s), including first name(s) with academic degree(s)
3. Name of department and institution in which the work was done
4. Index word(s)
5. Short running title

### Illustrations and Tables

Glossy, black and white photographs of illustration are requested. Original drawing should be professionally drawn in black India ink. Typewritten or freehand lettering is not acceptable. Illustration should be numbered, the tops indicated and the title of the article and the authors name in brief typed on a label pasted on its back. Do not mount the illustrations in the manuscripts. Each table should be prepared on a separate sheet and should be numbered consecutively as mentioned in the text and each must have a heading. Illustrations are accepted with color prints or color slide (not the negatives).

### References

References must be listed on a separate sheet in numeric order as referred to in the article, not alphabetically. Only references mentioned in the text should be listed and should be selective with not more than 30 references except under unusual circumstances. Number references consecutively in the

order in which they are first mentioned in the text. Identify references in text, tables, and legends by arabic numerals (in superscript).

The references must be verified by the author(s) against the original documents.

Example forms of references are given below.
